[illegible]

Dear wild woman,

It's been sooo great being friends with you I
loved the ~~black~~ and blue arm freshmen year before the
jr. Prom or you laughing as I fell down the ~~stair~~^{stairs} remember
Mrs. Nichole and S.M. my best crush or the sr. ball last year
you falling down those stairs in front of the whole foot-
ball team. How about that crush on that guy
Mike Franklison. We've always had the best times
huh. I know we'll be friends for a long time and
our grandkids are going to laugh their heads
off at us but that's still going to be fun huh.
Keep going to concert but stop punching people
don't trip at Graduation and try to wear
something that don't look too sleazy.
I hope you will make it to graduation

I have a lot more to write
but some day you might not even rememder
me and wonder what Bitch wrote a lily h.

BEAM ON BLACK AND GOLD

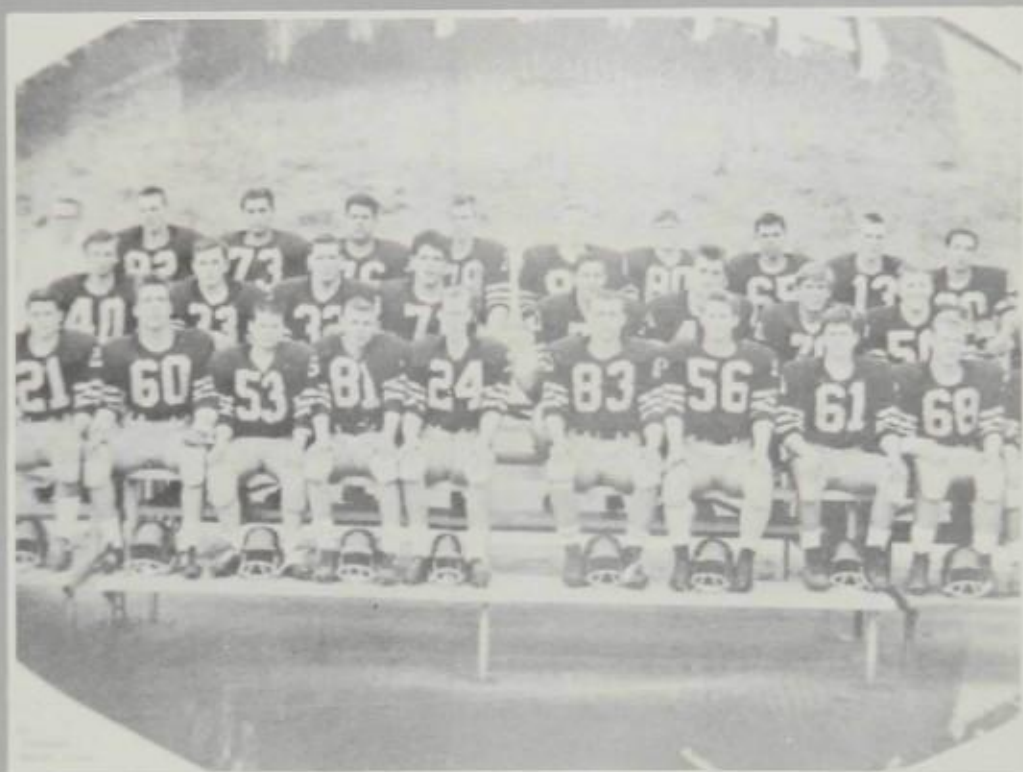

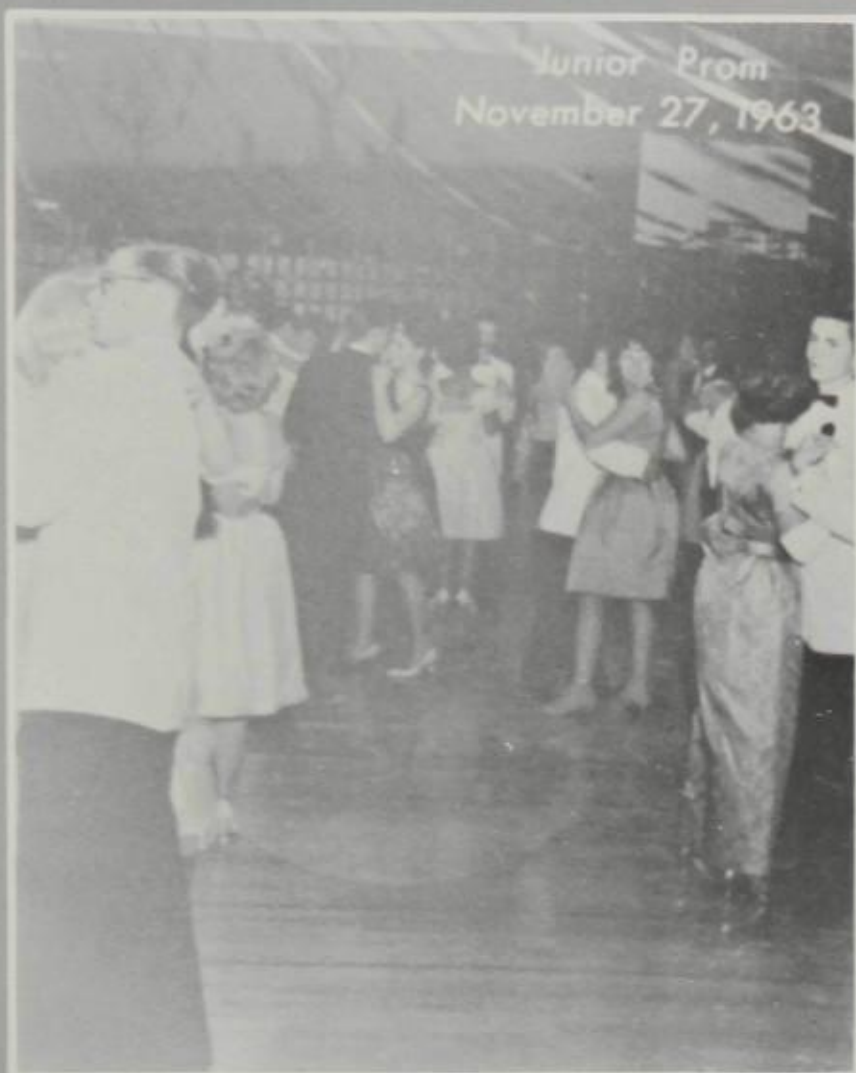

Mysterious black, exciting gold. Put them all together and the result is the fabulous Tigers. They add sparkle and class whether making a touchdown, shooting a basket, or cheering at rally. Rain or shine, they are cheering until the final second on the clock ticks away. The Tigers Spirit is a reflection of the loyal and vibrant students at Terra Nova High who make everything fun and exciting.

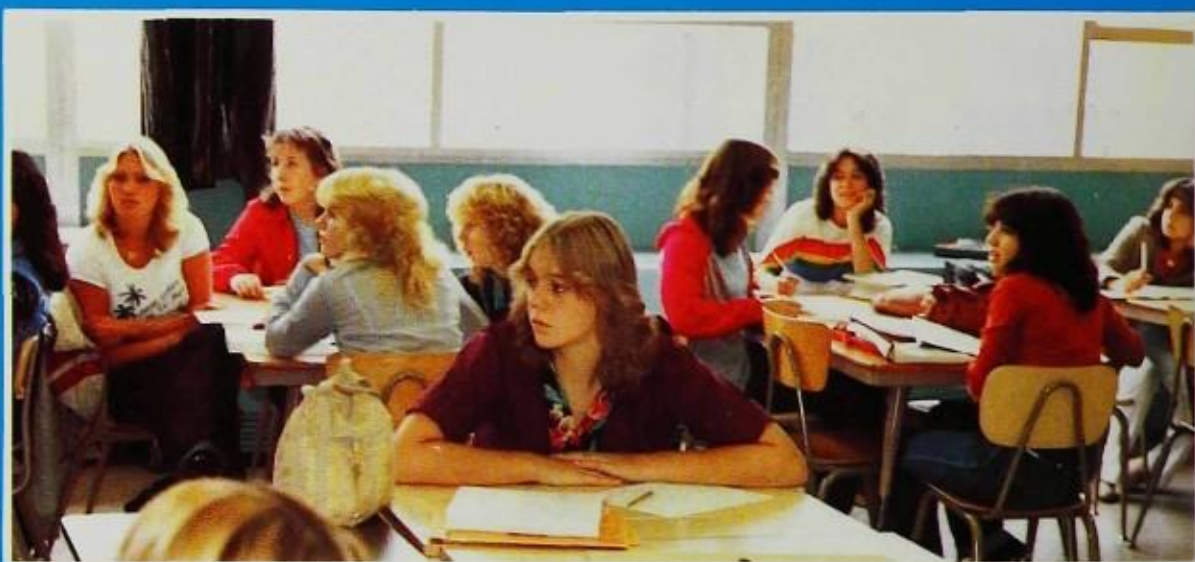

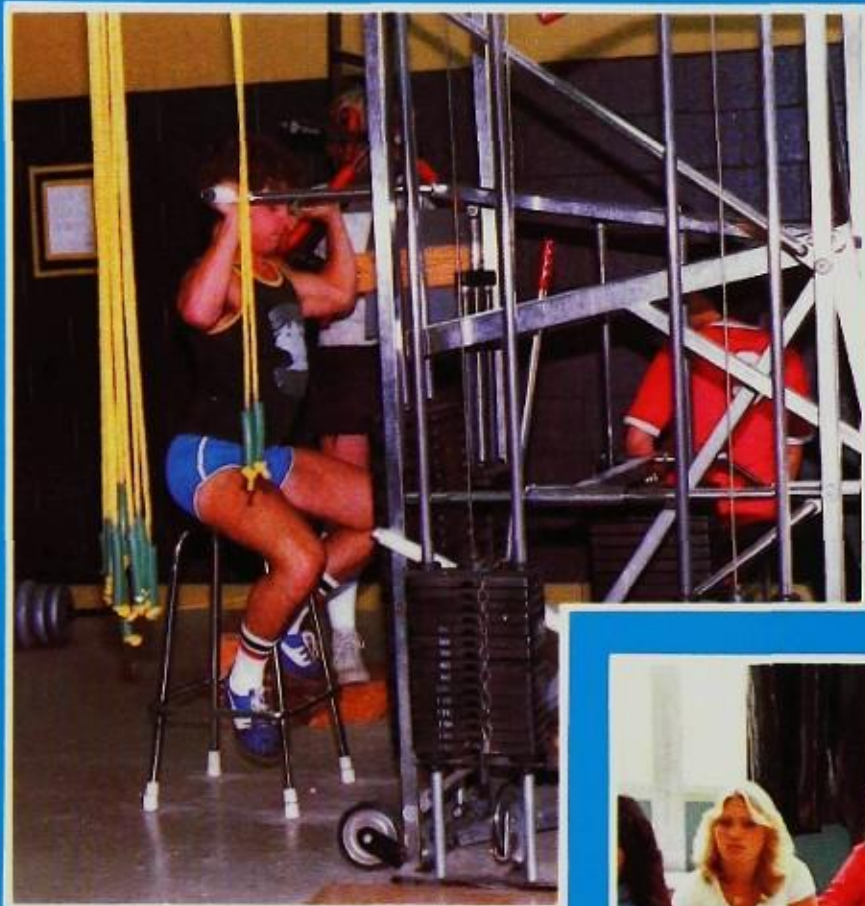

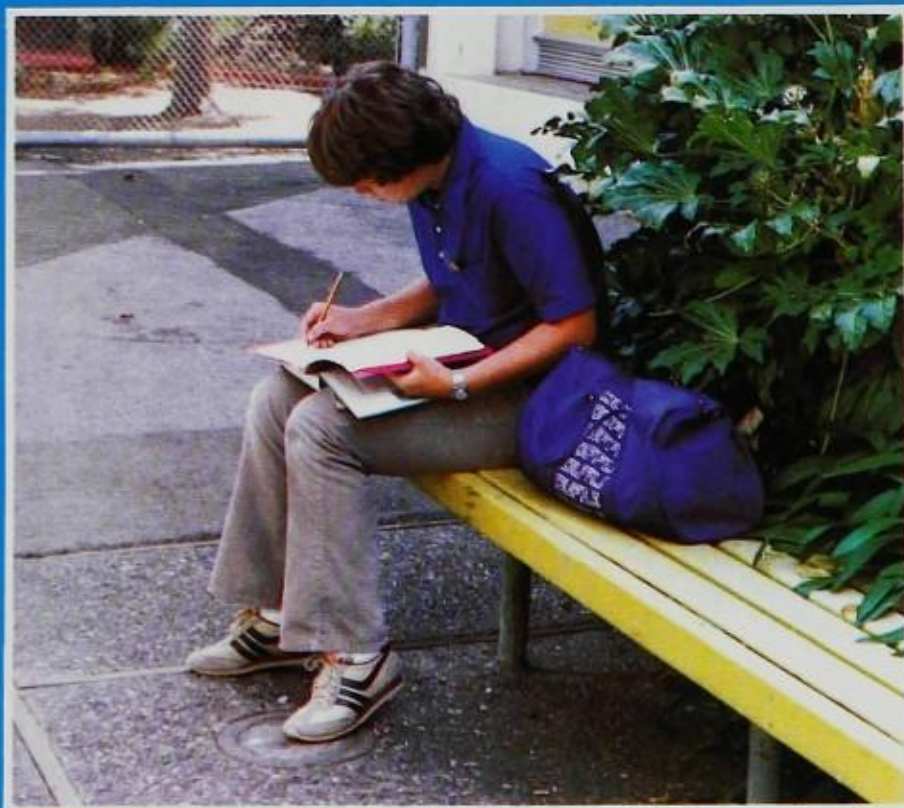

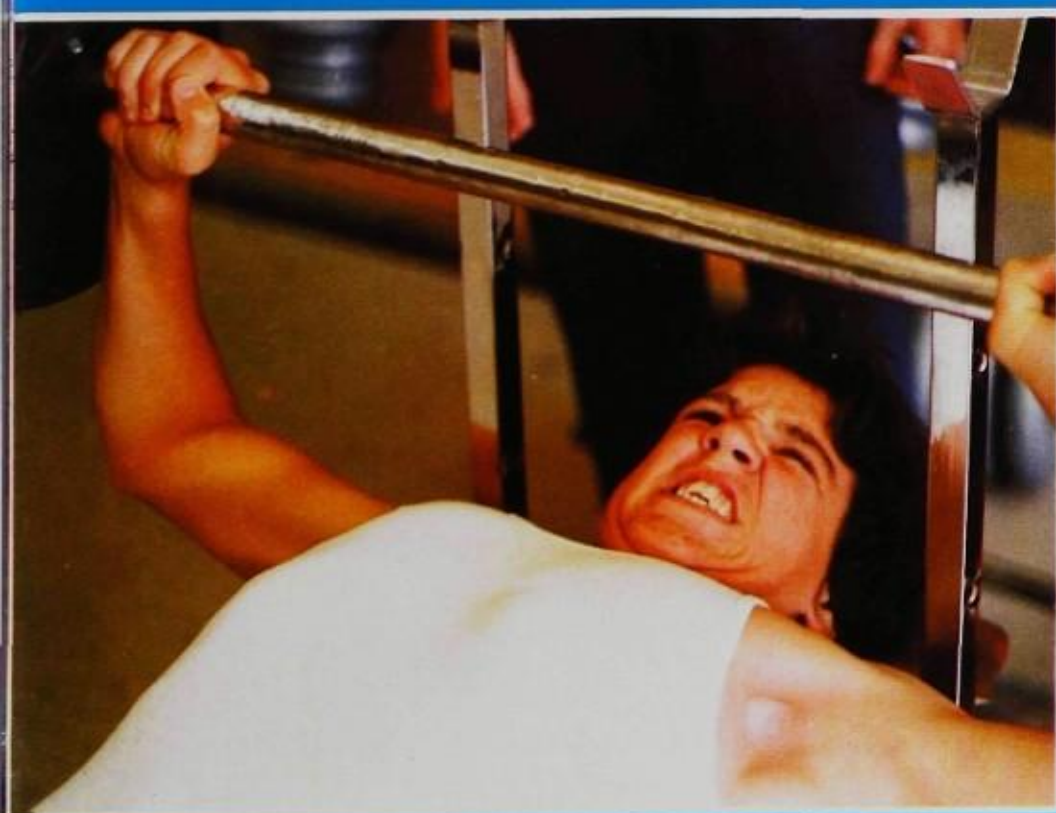

Terra Nova was a dream for which Pacifica had been waiting. The town was in need of a high school. Children went to many different schools while growing up. Between the years of 1950 and 1962 there were fifteen schools built. Terra Nova as well, as Oceana was one of the last to be built. The Old Picardo Ranch site was finally chosen for Terra Nova High School grounds. The total building cost was \$2,600,000. The school opened on September 11, 1961. The first class day was September 14.

These are pictures that reflect the times of early years at Terra Nova.

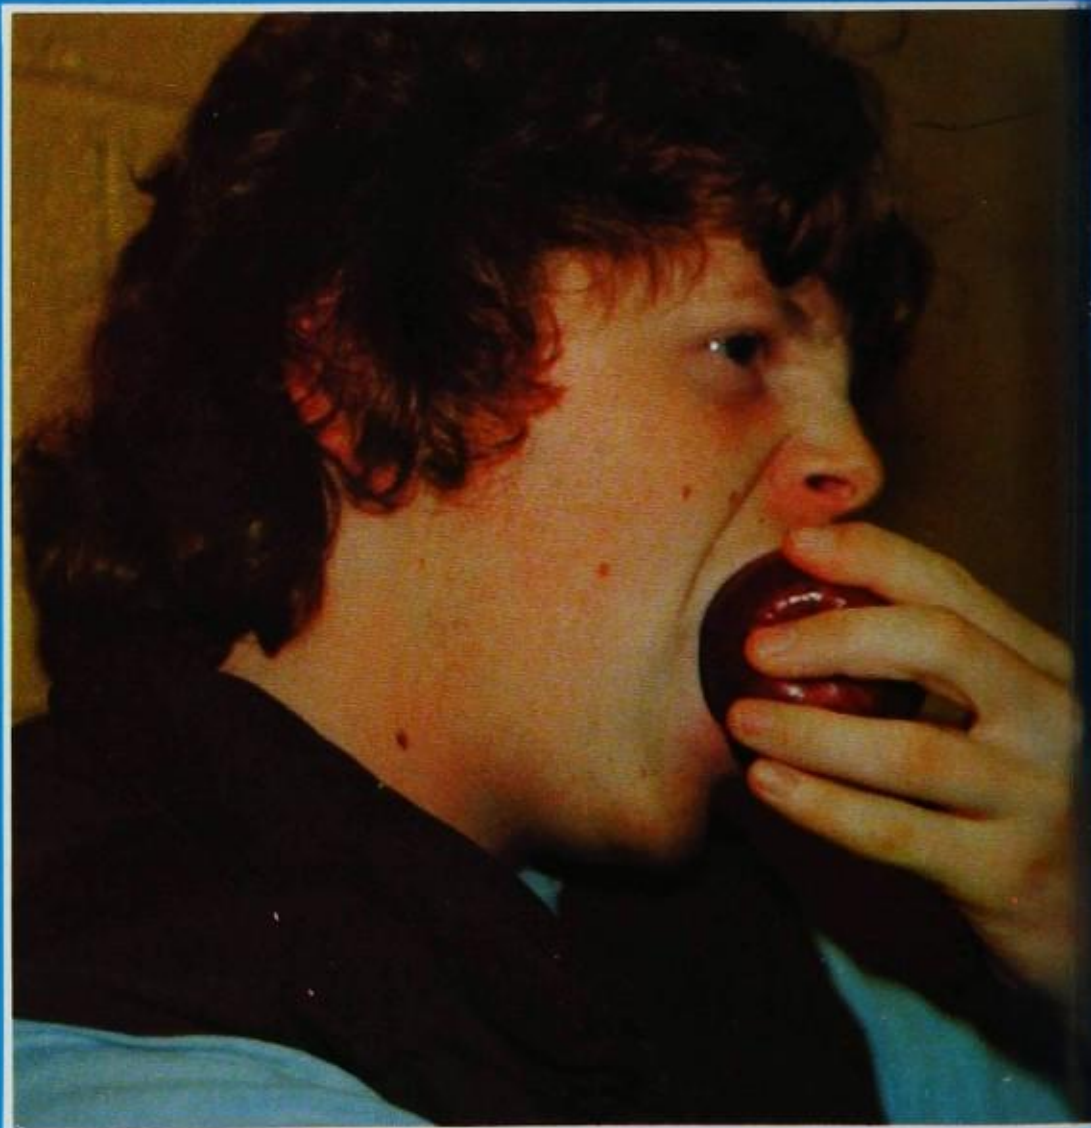

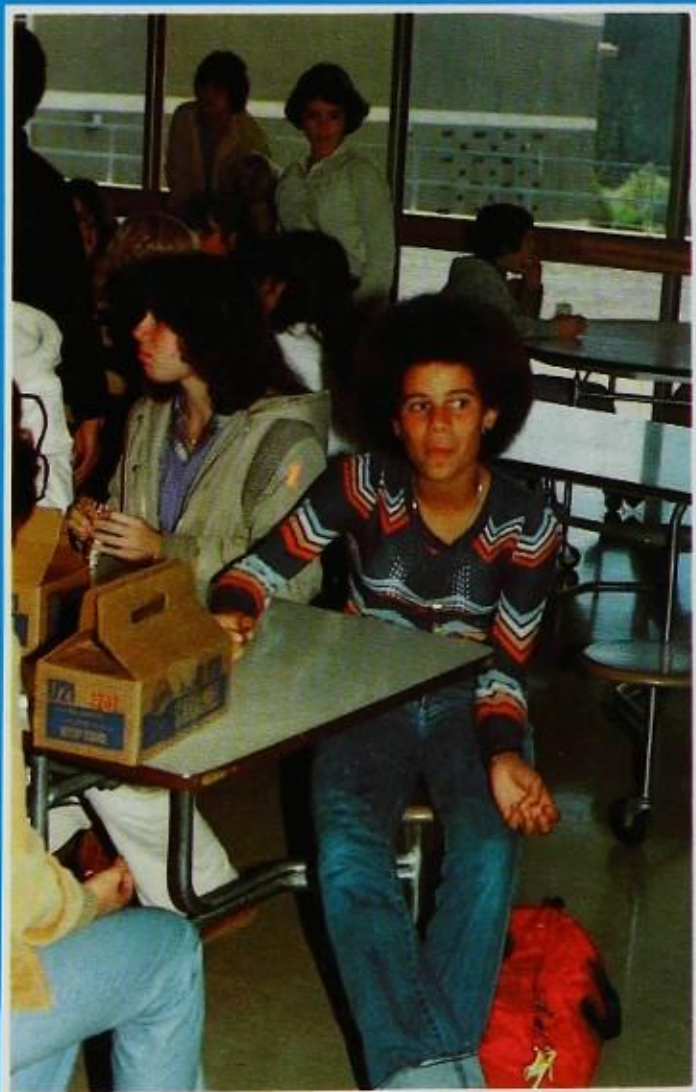

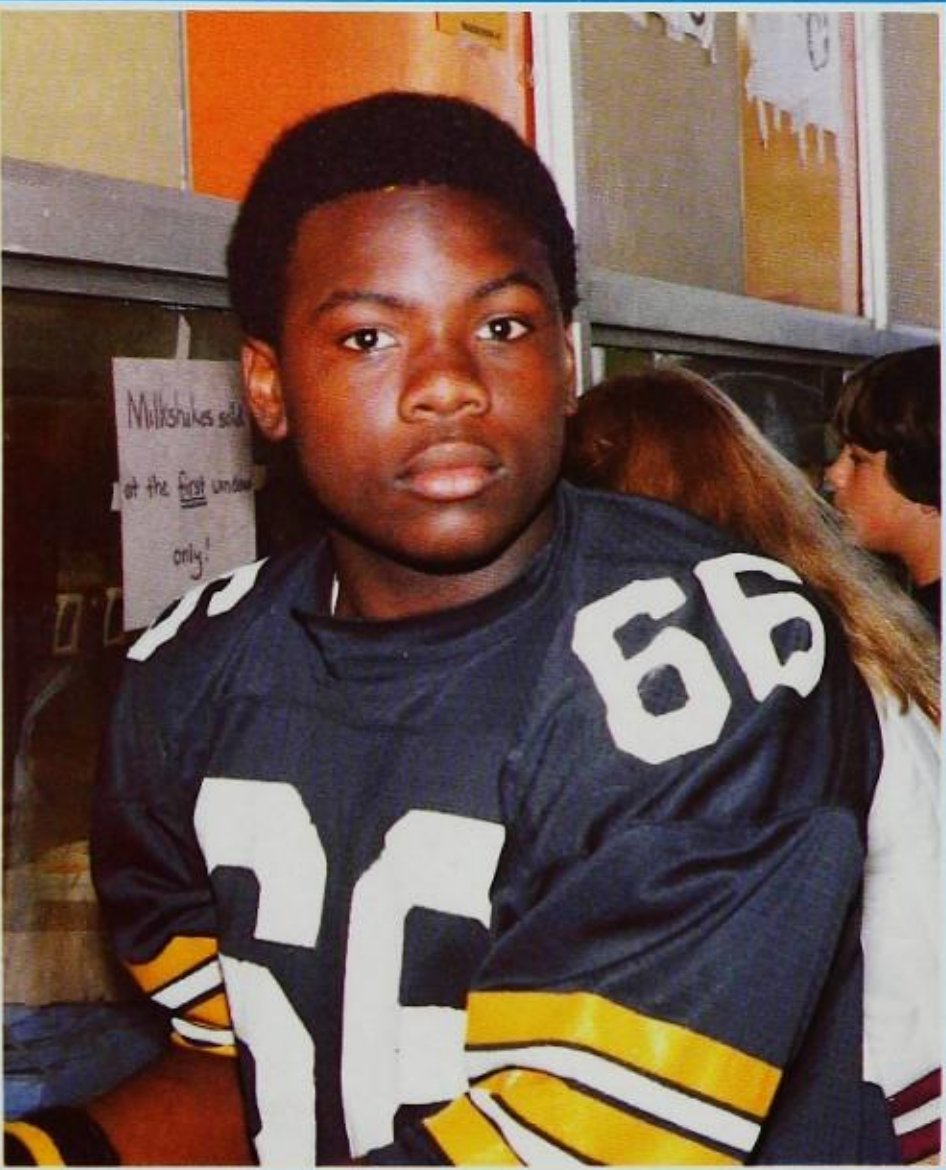

In the 1780's a detachment of staffers was sent from Mission Dolores in San Francisco to maintain a 10 year ranching operation. This was the first human occupancy in Pedro Valley. Rancho San Pedro became the ownership to Francisco Sanchez. The land extended seams from the valley to include about 9,000 acres. It was broken up more than 104 years ago to different ownerships. The Sanchez Building has had many changes

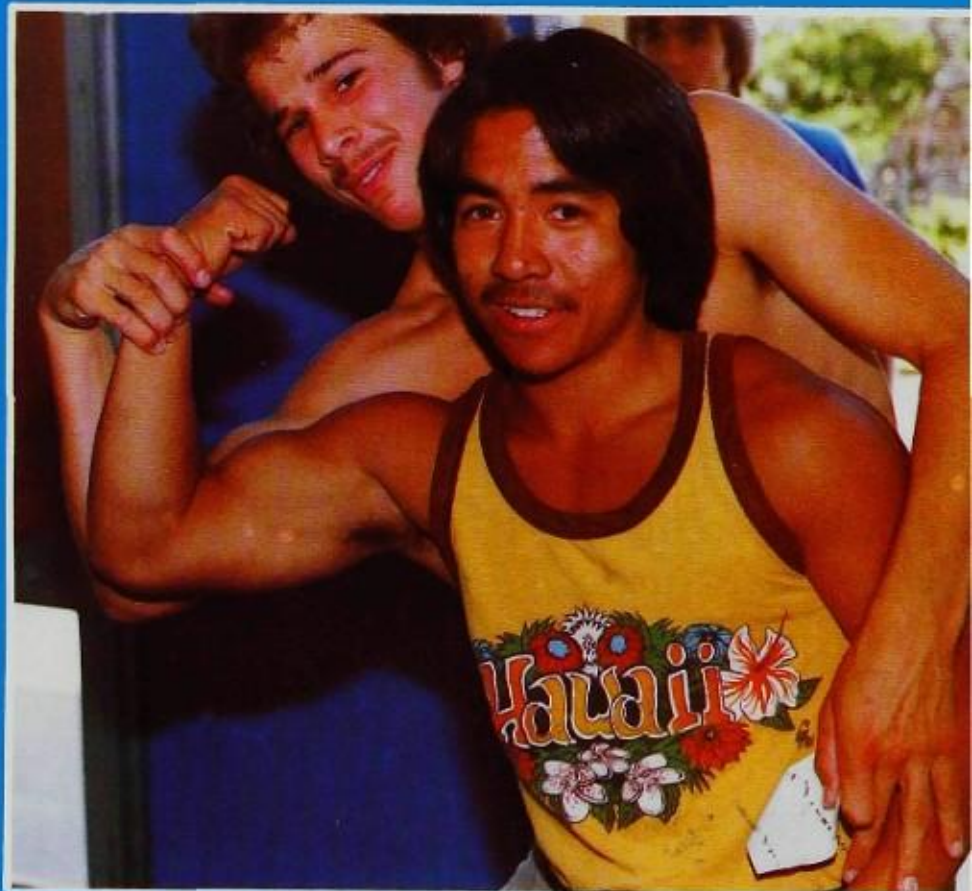

through the years. The Ocean Shore railroad ran along the coastside in the 1910's. Artichoke fields and only a half a dozen homes in San Pedro terrace existed in the 1920's. About 150 families settled in the valley in about 1955. There was no house-to-house mail and the only phone was a pay phone on lower Rosita Road. There were no street lights. Early families of Linda Mar began to see the area urbanize.

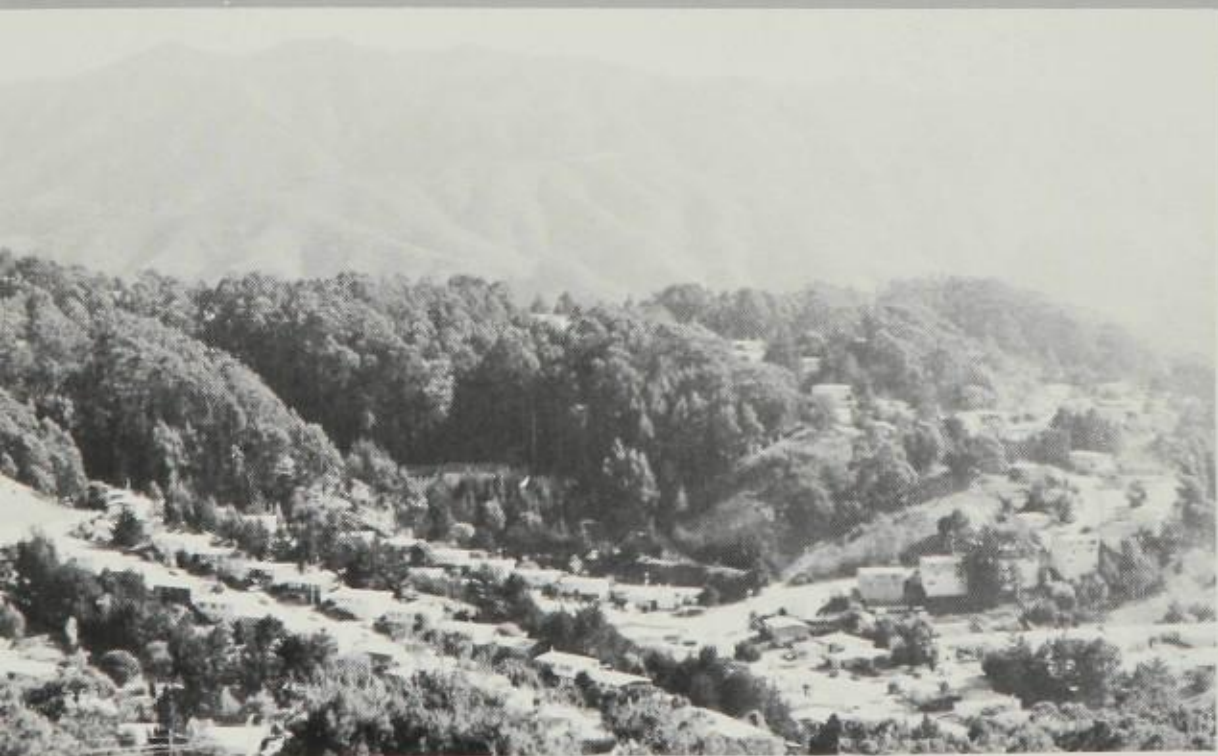

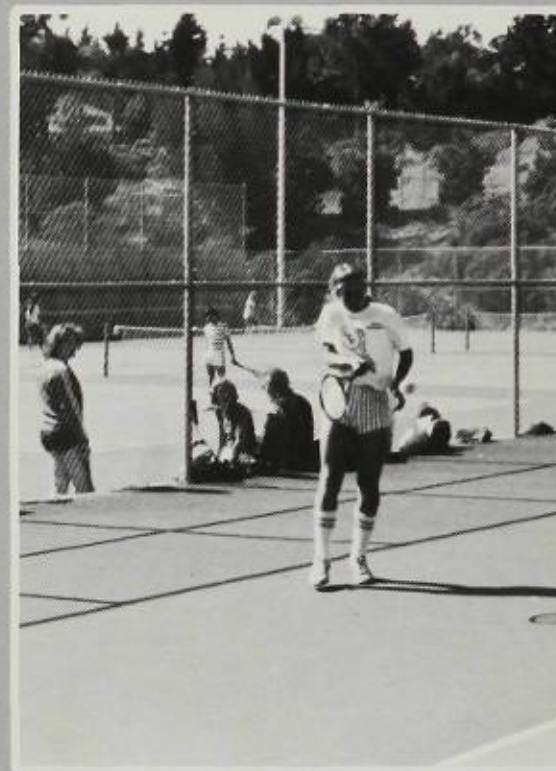

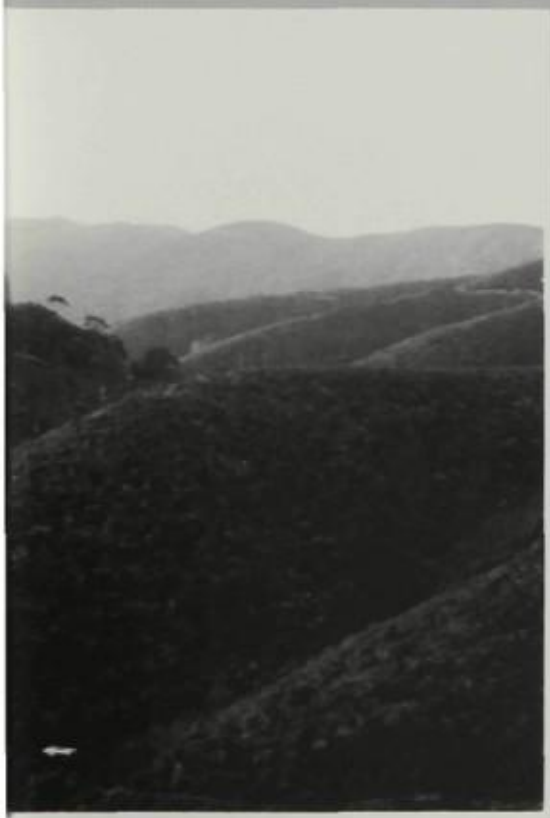

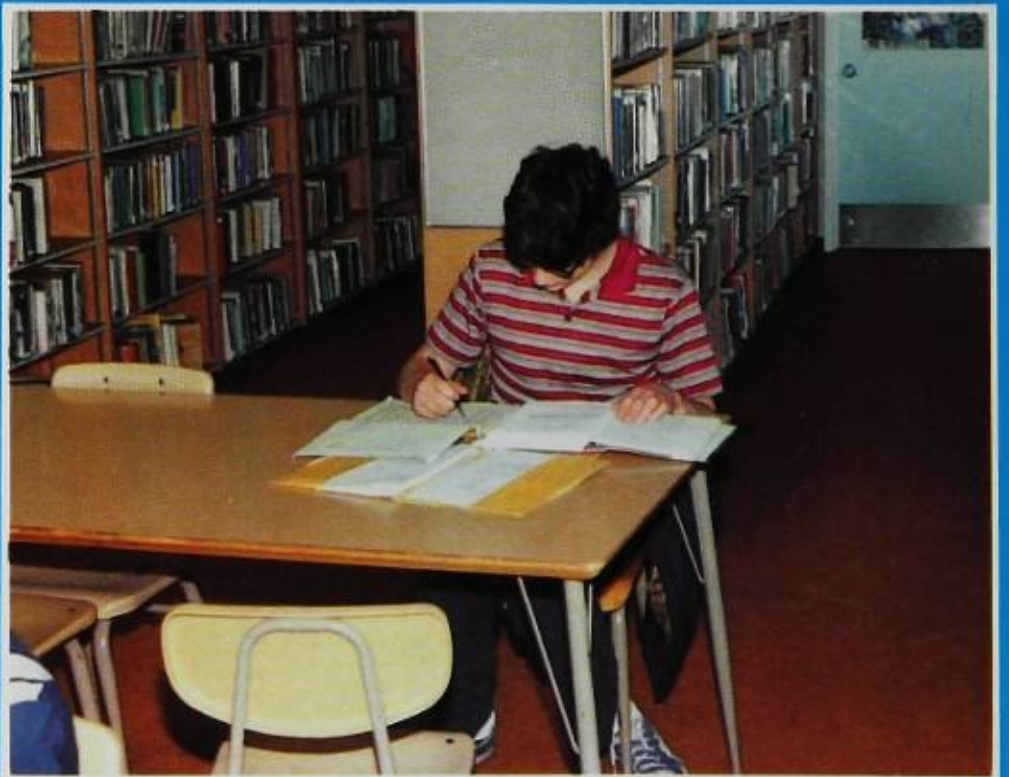

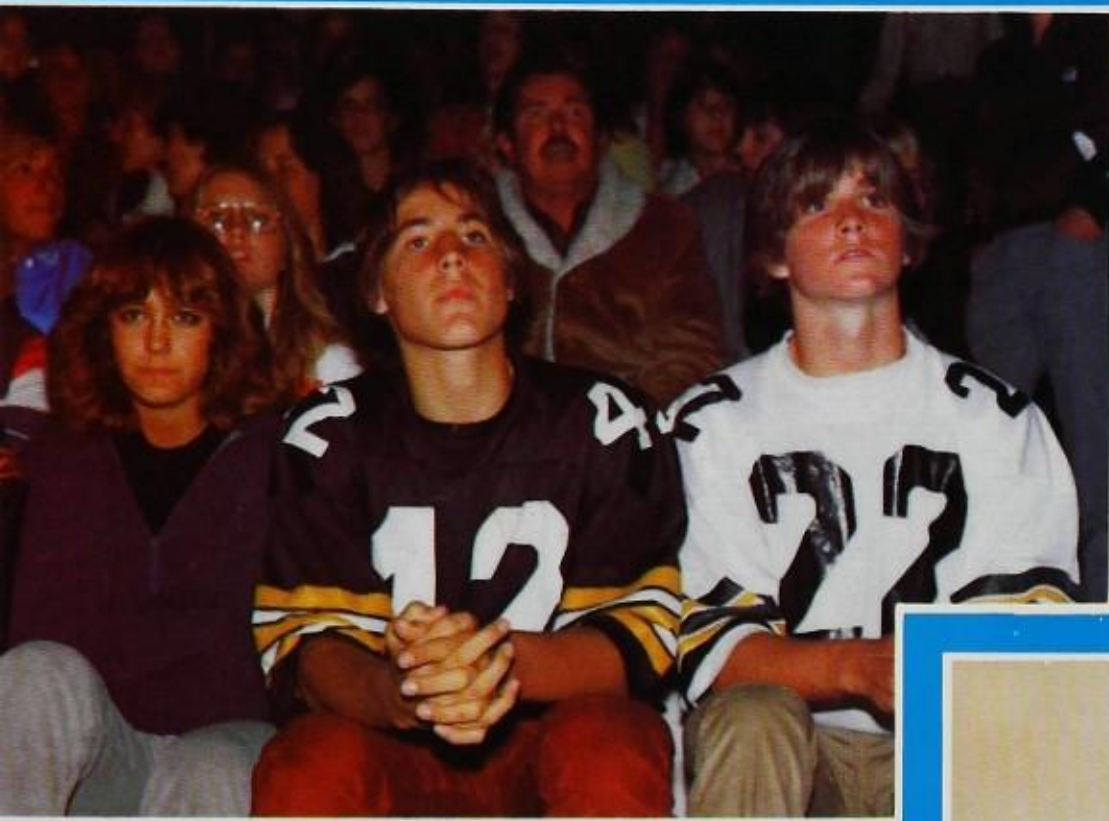

Maryanne,
We made it! How does it
feel to be graduated. So,
I hear you're going to
SF State. Hope you don't get
lost on campus. Seriously,
Good luck with your school
work,
and
everything
else.
Love
Angelle

These are the people who supply the leadership to the campus. Without their help and guidance we wouldn't have such things as detention, tardy passes, arena scheduling, and smoking pit supervision. VALENTINE'S DANCE

BLOOD DRIVE

Terra Nova's blood drive was very successful this year. There were 102 pints donated by students and faculty for this year's blood drive, with 30 people referred.

FLOOD in PACIFICA

Pacifica has rarely hit the news, but this year when it did it was to report the worst disaster to ever hit the city. Some homes were lost, some were damaged, but the worst news of all was that of the death of the three Velez children.

Throughout the rainy season people were in and out of their houses trying to save what they could from disaster. Many Terra Nova students got involved with the clean-up.

*"The two of us together —
in a boat on rocky waters,
When we see a big wave coming
we paddle desperately the other way!
If we find we can't control it and
the water starts seeping through,
At first we watch it fill the boat
not knowing quite what to do.
But when we start to sinking
that's when we really start to thinking
And when we get together —
there's no way we're gonna be beat!
The water we start to bailin'
and pretty soon were back to sailin'
A little shaky, a little soggy
but our boat is still afloat!
We're a team today and forever
you and me, me and you.
So whenever that boat starts rockin'
and the water starts seeping through,
Just plug the hole up and hand me a bucket,
and we'll both know what to do.
Have no fear for we'll get through it
we've been through rougher times than this.
Just remember how much I love ya

Frank M. Lena — '82

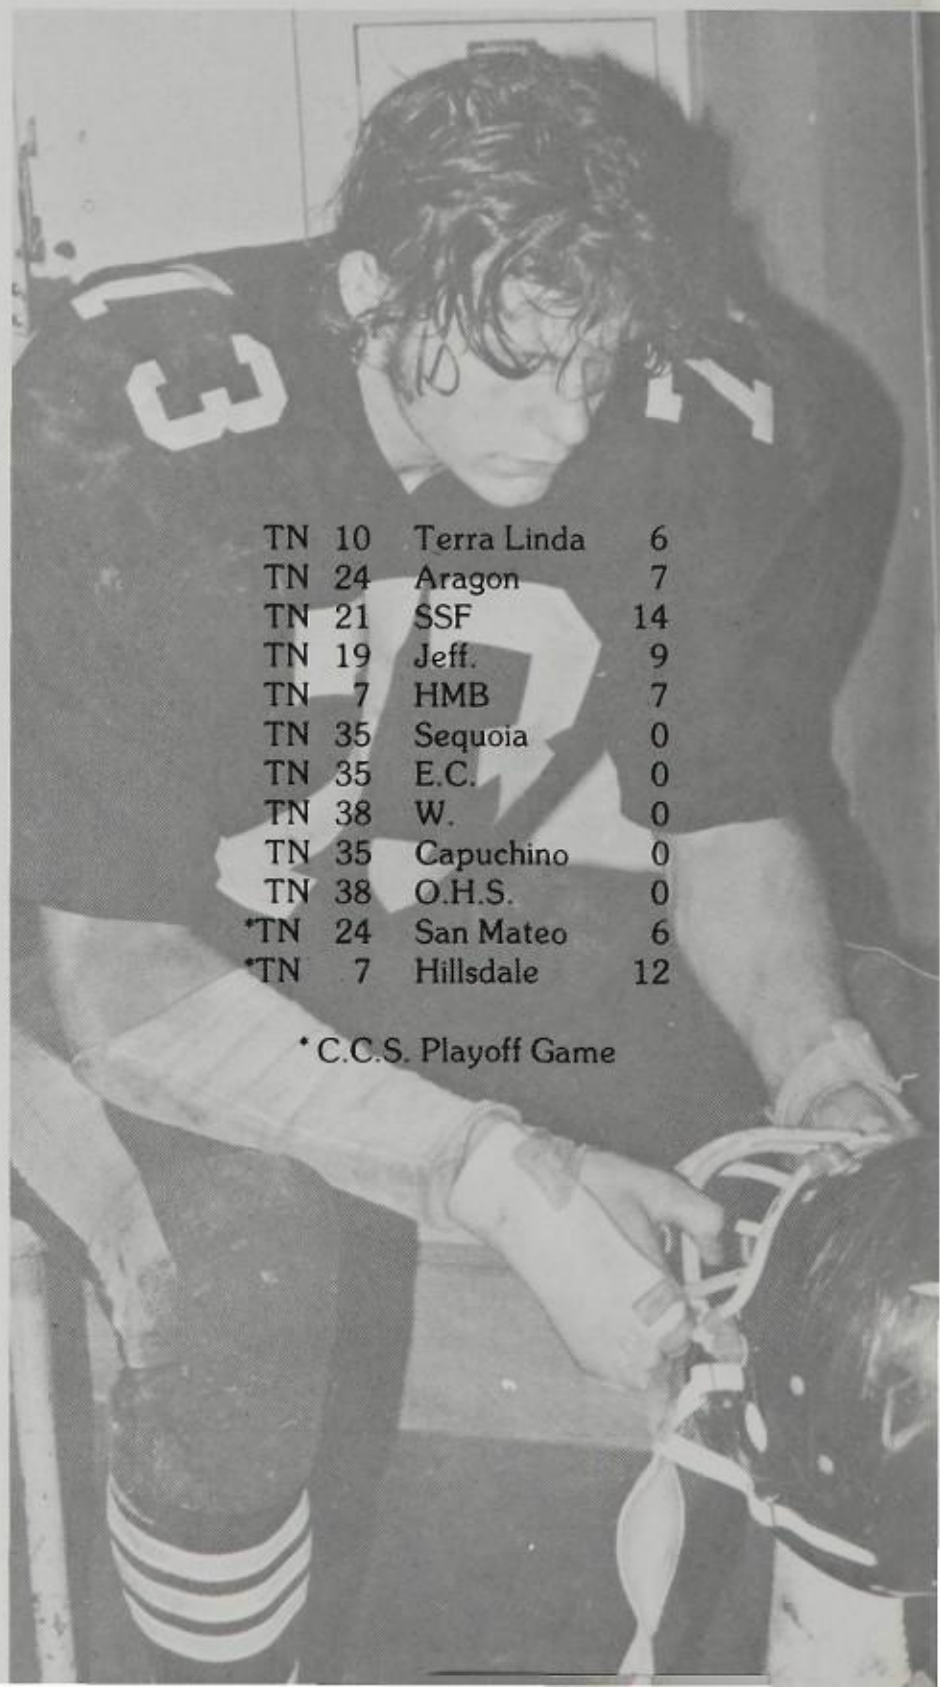

For the first time in Terra Nova history, a varsity football team went undefeated in regular season play. The season came to an end after a heart breaking 12-7 loss to Hillsdale in the second round of the C.C.S. playoffs. The Tigers were nicknamed the "Junkyard Dogs" because of their size and the tough and scrappy way they played football.

The offensive standout was quarterback Bill Byrne, who gained notariaty as N.P.L. Player of the Year and was named to the first team All League. The defensive standout was Scott Johnson, who was named Co-Lineman of the Year and also made first team All League. Other first team All Leaguers were, Lee Rix, Tom Best, Marty Mateyka, Vince Lotti, Wayne Heiser and Will Kibblewhite.

The Tigers were masterminded by Coach of the Year Bob Lotti, defensive coach Mike Gunning and offensive coaches Harry Weidner and Bob Guerrero.

VARSITY SWIMMING

This year the NPL and the MPL combined their leagues, giving Terra Nova more teams to compete with. The varsity team did well during the season, but at the end of the season, only one individual swimmer, Marlies Will, and one relay team made it to the finals.

The frosh/soph team did exceptionally well, having many swimmers competing in the finals, and a few placing first.

They are looking forward to a bigger and better season next year, competing with in their own league.

This year the boys' frosh-soph team had an excellent season. They fought their way through all of their meets and came up with the NPL title. Dave Raffo was chosen the frosh-soph M.V.P. We hope that the momentum of this year's frosh-soph team will hold up for next year's varsity team.

This year the varsity team did not do that well. They fought as hard as they could, but just couldn't pull it off. Kelly Thompson, the varsity team captain, was chosen M.V.P.

The girls' team did very well this season, placing third overall. Our Congratulations to the team and to Shelly Swanegon, who was chosen M.V.P.

Girls' Volleyball had an excellent season. They had a season record of 9-4 which enabled them to compete in the playoffs. Although the team put up a good fight for second place, they lost 16-14, 9-15, 4-15 to Westmoor and received third place in the league. The team's overall record was 14-4.

Laura LaRosa was selected to play in first team all league and first team San Mateo County.

The J.V. team did extremely well this year. They placed fourth in the league competition and gained a berth in the N.P.L. playoffs, where they also placed fourth. This season was twice as exciting because the team did so well and because the majority of the players were freshmen.

VARSITY BOYS' CAGERS MAKE 1982 PLAYOFFS

The Varsity Boys' Cagers had a roller-coaster years, dropping their first two games but regrouping to win the Anderson Tournament to Live Oak.

The Tigers were led by 1st team all leaguer Scott Cooper, who averaged over 20 points and 11 rebounds per game, and guards Brian McKittrick (who broke the seasonal and career records for assists with 102 and 188, respectively) and team-captain Rick Glosser who was second on the team in scoring. Both were honorable mention All-Leaguers.

Hi Mary Ann!

FAREWELL SENIORS

*In the corner of our mind remains the memories of yesterday.
Once children without a care or worry in the world
Growing up together we learned to accept one another as people
Growing to learn, laugh and love.
Finally as seniors, we are brought together as one
with only each other to depend on.*

*Seems when people just start getting used to special
relationships, they come to an end.
But that's the way of the world.
Now we must part and take the future as it comes.
New relationships will come our way,
but we'll never forget our memories together.*

*Christina
Escobedo*

Dear MaryAnn,

Well I can't believe we are finally graduating, after 4 years of Terra Nova. How long have I known you? Well it's been ugh 5 years. It's been 5 ugh terrible, headaches!! Naw just kidding. Well hold on because I am going to tell you some funny things that only you will know.

Remember in Mr. O'Carra's class in 8th grade. I'm Afro-American you're Chinese and I don't know what you are?? HA HA. What about Joe Blow ~~you~~ Buenavista and of course me, Rachel Welch. Remember when I wore the shirt and it went really far down so I safety pinned it. That's how I got the name Rachel. What about in ninth grade. Does this tune ring a bell Da Dum-Da Dum-Da Dum Da Dum Da Dum Da Dummm. If you can't get it by now it is the Pink Panthers theme. Remember the skit we had to do? You were on the bottom moving your legs and I was sitting on top of you undressing your legs. Doesn't that sound sick to someone just reading this not knowing we were doing a homecoming skit. What about me in tenth grade giving mouth to mouth resesitation to a dummy. Now that was a real experience. Too bad it wasn't T.H. What about you. Mrs. Olsen, "Get to the office young lady." MaryAnn, HA HA HA HA! Remember when you asked me to a picnic with your family and for prizes you had to run down to the end of the fence. Everyone thought I tripped that young boy but I really didn't even mean it. - Hey Hey in my mind I was going - "That little boy in front of me is not going to beat me to the finish line - I'll fix him. I'll just stick out my foot HA HA. Who needs a little runt beating me out of the race.

MaryAnn,

HAVE FUN IN THE SUMMER.

Boy, I didn't mean to
get sick at your graduation
party.

Love ya
Always,
